REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The reasons for the allowance of the claims in this case is the inclusion of the specific equations claimed beginning in claim 23 line 14. In particular the Examiner was unable to find an equation mathematically equivalent in the art to the claimed equation in combination with the other elements recited, which is not found in the prior art of record. The combination as claimed was not reasonably found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

CA 2,86269 A discloses a system for forecasting bankruptcy rates but does not disclose the claimed mathematical equation or equivalent.

The drawings filed on 9/27/00 are acceptable subject to correction of the informalities. Figures 2, 4 and 5 are illegible as the scanned in version. In order to avoid abandonment of this application, correction is required in reply to the Office action. The correction will not be held in abeyance.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Elaine Gort whose telephone number is 571/272-6781. The examiner can normally be reached on Monday and Thursday.
